## Picnic Area Information

Welcome to Wabasis Lake Park. Our staff will make every effort to assist with your event and ensure a great experience for you and your guests. If you need anything during your visit don't hesitate to call the Camp Office at (616)691-8056. If you have questions or concerns prior to your event contact the Park Manager by phone or email.

Each of our picnic areas comes with sixteen– 8 foot tables arranged in four rows of four. There is a small grill located near each picnic section. Neither area has access to running water or electricity. Each can accommodate 120 guests.

### Picnic Area B1

This Picnic Area is located in a valley and shaded by mature oak trees. The parking lot and bathroom are located about 100 yards to the east up a moderately steep hill. Getting to the Picnic Area may be difficult for some guests. The restroom has ADA compliant stalls as well as additional facilities for both men and ladies. There is also a cold water sink on each side. There is no playground near the B1 area. A short walk up the "B" hill gives a nice lake view, but there is no lake access from this picnic area.

### Picnic Area C1

This Area is located in a sunny corner of the "C" field. The picnic section is very closely situated to the parking lot. Though there is no walkway, the terrain is level and grassy. The nearest restroom is the "C" facility located about 400 feet to the east. This building has one ADA compliant stall on each side with one additional stall in the ladies and one urinal in the men's. There is a cold water sink on each side. The "C" playground is within 100 yards and there are also a basketball court and softball field nearby.

## Picnic Area Rules and Guidelines

- ◆ **Your reservation begins at 7am and ends at sunset.** This includes set-up and packing up time, please plan accordingly. We ask that your area be completely vacated promptly at the end of your rental period and that all trash be disposed of in the provided receptacles.
- ◆ The maximum number of guests allowed is 120. The "B" parking lot does not have sufficient parking for larger parties. The "C" lot is shared with the Open Shelter and parking can be an issue when both facilities are rented by separate groups. Larger parties should consider renting multiple facilities.
- ◆ If you plan on paying the fee for amusements/tents/pig roast etc. please call the Park Manager to discuss placement options and needs for your rentals. All rentals must be set up and removed the day of your reservation. They cannot be left overnight unless you have reserved the area again for the following day.
- ◆ There is no vehicle access to either Picnic Area. All coolers/grills/decorations must be brought in by hand from the parking area. Golf carts and ATVs are not allowed to be used on park grounds.
- ◆ No amplified music is allowed in the park.
- ◆ Glitter, confetti, and water balloons are not allowed.
- ◆ No fires or fireworks of any kind, including sky lanterns, are permitted on park grounds.
- ◆ The restrooms, playgrounds, and sports fields are not part of your reservation and are open to the public during park hours.

**Please understand that many groups reserve our park areas each season. These rules are in place to ensure that the park will be in good condition for your event and for events in the years to come. Thank you for choosing Wabasis Park!**
